Dear Parents

There is an exciting family reading challenge for you and your child/ren to take part in over the next 6 weeks. Successful completion of the challenge will gain your child a place at our next VIP event to be held later in the term. Grown-ups or big brothers and sisters can hear children read 5 out of 7 days a week for 6 weeks to receive a place.

Attached are children's forms to fill in and bring in every Friday for teachers to sign off in their mark book.

The challenge begins Monday 12th February and will finish on Friday 23rd March.

We look forward to revealing exact details of the VIP event shortly.

Happy reading!
