

Autumn Newsletter

Thank you for supporting the Pumpkin Fest, the pumpkin designs were amazing, we have some truly creative families in our school!

All of the children had a spook-tacular-time at the Halloween disco. The outfits were the best we've seen so far!

We are pleased to welcome our new Deputy Headteacher, Mr Worthington. He will be working across the school this term to get to know the children.

This year we are supporting Children in Need, on Friday 16th November. We would like children to wear bright and patterned clothing e.g. spots, stripes, stars, flowers. We are asking families to make a donation towards this deserving cause. PUDSEY will be visiting us on the Friday morning 😊

Thank you to the 312 parents that have signed up to Marvellous Me, we love sharing marvellous news about your children with you. Other family members can also sign up, using the same code, to share in the celebrations! Keep sending the High 5s.

Attendance

Well done to the 232 children that had 100% attendance during the first autumn half term. Please remember that every day there are valuable learning experiences that we don't want children to miss out on.

Every second counts

#LESTWEIFORGET – thank you for purchasing poppies at school. Look forward to seeing parents at the Darlston Town Parade at 10:30 and 3pm at Moxley Memorial garden to show that we remember.
