

## Autumn Newsletter

The weather is quickly changing and the festive season is quickly approaching. Please ensure that children still **attend school every day** so they don't miss any of our enrichment activities. We have printed a December calendar overleaf.

**Christmas Fair 11am – 2pm**

**Saturday 1<sup>st</sup> December**

**Santa Grotto tickets are £2**

**Grotto tickets available on the playground before and after school.**

**Please hurry as there are limited**

### Shanghai

We are excited to announce that, as part of her work with The Maths Hub, Mrs Gibbons has been selected to go to Shanghai for two weeks to look at the way they teach maths. This is a great opportunity to bring back some of their successful strategies to improve our maths

Thank you for all of your contributions to the poppy items. We raised **£212.76!**

Thank you to Councillor Bott who donated a special Moxley Memorial book for every child who attends Pinfold Street. We would love to know if any of the brave soldiers listed in the book are relatives of any of our Pinfold children!

### **Huge Generosity!!**

I feel very proud to be the Headteacher of a community that are so considerate and generous when supporting school in any fundraising events for charities. We raised an amazing £420 for Children in Need. Thank you again.

### **Rotary Shoebox Scheme**

*"Spreading a little Happiness"*

Continuing on the generosity theme, our School Council representatives have asked if we can support children that are not as fortunate as we are by taking part in the Rotary Shoebox Scheme. More details will be sent out about this.
