

Autumn 2019 Newsletter 2

We've had a lovely 2 weeks back in school. The children have really enjoyed learning about Darlaston – ask them to share this with you!

Aldi Sports Competition

We are collecting the stickers that Aldi are giving out when you spend £20. Please send in your stickers to help us get free sports things for school.

This year we are raising money for people with genetic disorders. On Friday 20th September we would like children to bring in a donation of £1 and to be in non-uniform and wear one denim item of clothing e.g. jeans, denim jacket, jean-skirt etc.

Please sign up to

 Marvellous Me, we love marvellous news about your children with you. Other family members can also sign up, using the same code, to share in the celebrations! Keep sending

Parking

If you have to drive to school, please park one/two street away from school. Can we ask that you are considerate to our neighbours and help keep our pupils safe by not parking on pavements, zig-zag areas

Reading is one of the most important skills needed in life. We have organised our timetable to ensure that all children read at least once per week in school by our fantastic teaching assistants. Teachers will hear children read in their Reading lessons. Parents who came to our showcase lessons last school year will know how good these lessons are. We will be inviting

you again this year to see how we help children to improve at reading.

Please read for a few minutes each day at home with your child.
